

Enjoy the cool of a summer evening

Ryogoku is an old riverside town that recalls the flavor of the Edo period. We would like you to enjoy the cool of a summer evening and something of traditional Japanese culture in Ryogoku. You can wear Yukata and enjoy the twilight tour, starting with the visit to backyard of Sumo Arena (Kokugikan) holding Grand Sumo Tournaments, followed by 90-minute cruise on Sumida River, and ended up with outdoor tea party in the Former Yasuda Garden, where tea will be served and there will be a koto concert (Japanese harp) and shakuhachi (Japanese flute), as well as a haiku gathering.
